7	Alfred	34
16	Hobart	17
7	Southern Conn.	21
27	New York Tech.	0

ED DECKER - HEAD COACH

"It is my goal to restore Cortland to the ranks of the perennial winners, that list of teams which annually win more than they lose. We must create a renewed feeling of enthusiasm among the players, staff, faculty and alumni for our program."

These were Ed Decker's words as he took charge of Cortland's football program when he was appointed head coach. He was "elated" at being picked for the job at his alma mater. He is a 1957 graduate of Cortland and played halfback under the late Carl "Chugger" Davis. Decker also has a master's degree in physical education from Cortland.

The new head coach comes to the Cortland campus from rival Ithaca College where he was a defensive coach for three years. Previously, he was offensive line coach and recruiting coordinator for Columbia University's football team. The 46-year-old Decker had his first coaching job guiding the freshman team at Union-Endicott High School where he also played. He is a native of Johnson City. His U-E clubs were 15-2-1 and won two STAC titles.

Decker later was head football coach at Carthage Central, Henninger High School in Syracuse, and Penfield High School. His 1966 Carthage team won eight straight and he was named "Coach of the Year" of the Northern District by the NYS Football Coaches Association. Decker's total high school coaching record stands at 62-27-3.

A U.S. Army veteran, Decker also has lectured at football camps and clinics in central New York and has been invited to speak at athletic dinners in New York and New Jersey.

ASSISTANT COACHES

JERRY CASCIANI - Inside Linebackers

A member of the Cortland faculty since 1970, Jerry Casciani played college football at Springfield where he earned a B.S. degree in physical education. He has a master's degree from Penn State. Before coming to Cortland, he was district chairman of health and physical education of the Northeastern School District of York County, Pa. Casciani has extensive experience in athletic conditioning programs and has handled numerous scouting assignments in football. He also serves as assistant lacrosse coach for the Red Dragons, having been head lacrosse coach at Baltimore Junior College where he was for three years. In addition, Casciani has coached JV wrestling at Cortland and served as head coach on an acting basis.

LARRY CZARNECKI - Defensive Coordinator

In his third year as a member of the Cortland football staff, Larry Czarnecki has B.A. and M.A. degrees from Ithaca College. While an undergraduate at Ithaca, Czarnecki played four years of football and was named 1976 Player of the Year for ECAC Division III teams. He was a first team pick for the Associated Press' Little All-American team and the Kodak College Division All-American team. In addition, he was an all-league selection for four years in the Independent College Athletic Conference. Before joining the Cortland staff, Czarnecki was an assistant football coach with the IC Bombers and served one year as freshman defensive coordinator for Dartmouth's football program.

MARK KACZANOWICZ - Offensive Line

Joining the Cortland physical education faculty this year is Mark Kaczanowicz, a native of Oneida, N.Y. He has B.S. and M.S. degrees from Brockport State. For the past two years, he has been offensive line coach with the Brockport football program. As a Brockport undergraduate, Kaczanowicz had four years of varsity football experience and was elected team captain in his junior and senior years. In 1975-76, he was assistant wrestling coach at Brockport Junior High School and then joined the staff at Oneida High School where he was a crisis classroom teacher and developed and implemented an off-season conditioning program.

LARRY MARTIN - "B" Team Coach

A native of Cortland, Larry Martin has B.S. and M.S. degrees from Cortland and earned a doctorate at Springfield College where he studied with the aid of an NDEA doctoral fellowship. While studying at Springfield, he also served as an assistant with the football coaching staff. He played football at Cortland under the late "Chugger" Davis and started at an end position, playing offense and defense. Martin also has coached the men's varsity golf team for the Red Dragons. Before joining the Cortland faculty, Martin served as coach of football, basketball and baseball at Gouverneur and Massena High Schools and was director of physical education and athletics as well as a coach at Canton High School.

R. SCOTT ROBINSON - Receivers

After earning an AAS degree from Nassau Community College in 1971, Scott Robinson went on to obtain a B.A. from Syracuse University in 1973

and received an M.A. degree from Cortland in 1975. He played varsity football at Nassau and at Syracuse and was a member of two junior college bowl teams while at the Long Island college. Robinson is a former head football coach at Moravia High School where his teams had a record of 19-5-4.

JACK RADZAVICZ - Outside Linebackers

Another part-time member of the staff this fall will be Jack Radzavicz who recently stepped down as head gridiron coach at Cortland High School where he continues to teach physical education. As a freshman and J.V. football coach for CHS, Radzavicz had a six year record of 39-4. In the varsity ranks, his teams over 13 campaigns were 69-40-2. He has B.S. and M.S. degrees from Cortland State. As an assistant to Coach Decker, Radzavicz will work with outside linebackers.

JIM BORABABY - Defensive Secondary

Additional coaching help on a volunteer basis is being provided by Jim Borababy who recently located in the Cortland area. He played as a wide receiver and defensive back while at Boston College. For the past seven years, he has been head football coach at Notre Dame High School in Utica where he also taught physical education.

RED DRAGON FOOTBALL OUTLOOK

A new era begins for the Cortland State football program this season, with the fresh coaching regime of Ed Decker hitching up with a revised schedule to take the Red Dragons into the 1980's on the upswing after experiencing hard times in recent years.

Decker is the cornerstone of Cortland hopes to return to respectability. The chief architect in the plan is familiar with the winning Cortland tradition of yesteryear as a player under the late Carl "Chugger" Davis, a legend at Cortland.

Enthusiasm and hard work are two of the prime ingredients in his hopes to turn around Red Dragon fortunes. "Hard work - there's just no success without it. You have to spend time on the practice field learning your skills," he stresses. A winning attitude is another necessity in Decker's gameplan. "You have to tell the kids you expect to win."

The schedule, meanwhile, offers relief from the backbreaking grind outmanned Cortland teams had become accustomed to playing, albeit grudgingly because of the physical whippings inflicted by larger Division II opponents. New York Tech, the Dragons' only conquest a year ago, is the lone Division II foe remaining on a Cortland chart that for the first time since pre-World War II days has the Dragons playing strictly New York State teams.

For certain, the 1980 Red Dragons will be a well-conditioned club from the season's start. "I think one of the problems last year was nobody worked in the off-season."

One plus emerging from last season's tribulations (W-1, L-9) was the experience gained by a

flock of underclassmen who were baptized in collegiate grid wars. Several freshmen saw extensive duty, including regular quarterback Jay Cieply. "We'll rely heavily on him," according to Decker.

Cieply and Jude Francois carried the brunt of the Dragons' offense last season, with the quarterback passing for nearly 1,500 yards and Francois running on a school-record course until his campaign was curtailed by a knee injury which hasn't adequately healed and will cause his absence from football this fall. "He's a heckuva loss. We'll have to change some things as a result. We would've run from an 'I' formation with him," Decker said.

A diverse attack is in Decker's plans although they'll include a basic option operated by Cieply. "It'll limit the defense and we'll take what they give us. I think Cieply can run. And with our receivers we can generate the big play."

Leading the running back returnees are Greg Grazen, Mike Bowe and Tim Geiger. The receiving corps features Gene Gleeson, Jack Garrity and Pete Schwan, a trio who grabbed 67 passes among them last season, and Mike Hilliard.

Another receiver is Rob Barber, although he's become better known for his foot. He led 1979 Cortland scorers with 34 points on seven field goals from the 32 to 42 yard range, and 13 points-after-touchdown.

Interior linemen back in the fold from a steady diet of action last season include senior Ed Quirk, a 230-pounder who has drawn professional inquiries, Jack Graham, two-year starting center Nick Rama, Rich Ryan, Paul Alexander, and Joe Theret.

Holdovers are just as plentiful defensively where Decker will basically use a 4-4 alignment. "And we'll simplify assignments," Coach Decker declared. "Last year, there seemed to be a lot of missed assignments and that hurts."

Defensive forwards expected to form a nucleus of the regular cast are Dana Dobson, Lamar Lee, Jim Hintze, Mark VanDerkarr, Ron Allen and John Martens. Veteran linebackers include Steve Kazmark, Brian Mooney, Bob Bateson, while Mike Tracy shifts from end to strong linebacker.

Pat Goodell and Jim Macklin have experience in the defensive backfield. And newcomer Steve Armstrong, one of the nation's top Division III decathlon performers last spring, definitely figures.

Co-Captains: Pat Goodell, Nick Rama
 Trainers: John Sciera, Mike Aitken
 Donna Jensen, Marc Meadows, Betsy Shillito

Grad Assts: Steve Norris, Demetri LoPuchin
 Student Trainers: Rich Ferguson, Dan Gorman,
 Manager: Karen Sanders

STATE UNIVERSITY COLLEGE AT CORTLAND

Founded in 1868, Cortland has been part of State University of New York since 1948 and has evolved as a college of arts and sciences with a coeducational enrollment of approximately 5,600 undergraduate students.

The College offers undergraduate programs with more than 40 different majors in professional areas and in liberal arts and sciences. Provision is made for specialization within many of the majors which cover a broad range of interests.

Teacher preparation programs provide a range of opportunities from elementary through secondary education. Health, physical education and recreation programs are nationally recognized. Outdoor education and environmentally related offerings are expanding.

Students have wide selection in off campus field experiences for almost every major. Study abroad opportunities in five European countries are available. New five-year science-engineering majors are now offered in cooperation with SUNY Buffalo, SUNY Stony Brook, Alfred University and Clarkson College of Technology.
